(Ethics)

*The Texas Behavioral Health Executive Council (TBHEC) has stopped pre-certifying ANY Continuing Education or Professional Development for mental health providers. The Jung Center cannot guarantee that the programs we provide will qualify for continuing education or Professional Development, nor can any other agency. The Jung Center uses high educational standards when selecting to designate events as "potentially appropriate for CEs", and in evaluating the outcomes of our educational services, and we believe them to meet the requirements of state licensing bodies.
